

Studio Connections Ltd

Suite 149
61 Victoria Road
Surbiton
Surrey KT6 4jx

15th June 2013

To whom this may concern:

This is to confirm that in 2010 Abbey Road Cable was renamed to Studio Connections Cable because of marketing strategy and licensing matters.

The design of all the Abbey Road Cable range and Studio Connections Cable range has been made by my myself, Michael Whiteside. The cable is still made with the same high standards and same manufacturing equipment.

I hope this clarifies the change of name.

Signed,

Michael James Whiteside

Designer Abbey Road Cable and Studio Connections Cable
Director, Studio Connections Limited, UK.
